

CONTRIBUTIONS STATEMENT

In an effort to ensure you receive your Tax Statement all members have the ability to pull their Tithes & Offerings Statement from Fellowship One. You can pay your tithes, offering and print your annual giving statement. Please make sure that you keep updated information on file with Member Services (i.e. mailing address, phone numbers and e-mail addresses) whenever you make any changes.

Below gives a snapshot with the information needed for you to create an account on the Fellowship One System only if you don't have one already. If you have an account, you do not need to create another account.
